THE CHRONICLE.

D. F. WRIGHT, M. D., Editor.

Catholic could not sit on the bench as we think needful. against every man who professed what is the national religion of even for a Protestant. Thus while nominally an Irish representation sat really represent the Irish people, but those whom it was their habit to esteem their enemies. Added to this was what they esteemed their master grievance, that the clergy of

Keep the word of promise to men's ear, But break it to their hope.

As the British Government made the franchise worthless to Irishmen by excluding Catholics from the privilege, so the North effected the same purpose by excluding from it all who had joined in or sympathized with the secession, which virtually excluded the whole white population of the South: It is true that no ecclesiastical disabilities were inflicted, at least permanently, though it is well known that many Methodist Churches were held by claims of the preachers chosen by their members, and we ourselves heard a prominent Republican in this city express the idea that Dr. Quintard ought not to be allowed to be elected Bishop of the Episcopal Church in this State, because he was a chaplain in the Confederate army. But Church and State had never been closely enough united in America to admit of this part of the programme being kept up long.

ever, at the period of extreme oppression. Catholic emancipation was brought about, in part at least, by a process analogous to that by regained her voice in the legislature of the nation.
